Activity I.

Activity 1. Contextualization

Instructions:
In groups of 4, discuss what the context in which you teach is. Use the following activities to guide your discussion:

a. What is the lay out of your classroom?

b. What kind of technology do your students use for personal use?

c. What kind of technology does your institution offer to complement your teaching?

d. What kind of technology do you use for personal use?

e. What kind of technology do your students have at home for personal use?

NOTES:
Activity 2. Pedagogical Objectives

In different groups of 4, discuss what your pedagogical approach is and what the role of technology is within its context. Use the following questions to guide your discussion:

a. How do you define your philosophy of teaching?
b. To what pedagogical approach do you attach (Constructivism, Behaviorism, or an eclectic one)? Why?
c. What is the role of technology in your pedagogical approach?
d. What is the role of assessment and measurement in your pedagogical approach? How much do you do and why?

NOTES:
