Final Exam 19/11/2007  6 p.m.

I Part. Vocabulary paraphrasing  (9 pts/ 3 pts each)

Based on the reading and your inference, paraphrase the meaning of the following vocabulary words.

Environmentally Significant Areas (sub-title): ______________________________
_______________________________________________________________________
_______________________________________________________________________
eco-tourism (page 36) : ____________________________________________________
_______________________________________________________________________
_______________________________________________________________________
recipients (page 37) : ______________________________________________________
_______________________________________________________________________
_______________________________________________________________________
_______________________________________________________________________

II. Part. Outline (16 pts)

Provide the outline of the part “Monitoring/Evaluation of Participants” found in pages 36 and 37.

III. Part. Interpretation of Figures (10 pts)

Based on the reading and your understanding of the message the author gives, provide an interpretation of Table A (page. 37). Remember that you need to give as much detail as possible and be faithful to the message sent by the author.
IV. Summary (15 pts)
Provide a summary of the entire reading. Remember that a summary is a concise and detailed account of a deep reading.

Good Luck and have fun during your holidays!!!!
