Citizens For Piqua's Neighborhoods

Five Common-Sense Ordinances for Piqua's Neighborhoods Were Enacted Last Year

These are sensible ordinances that address:
1. Repeat offenders of our nuisance laws.
2. Recoupment of re-inspection costs.
3. Grass and weeds that have become a nuisance.
4. Zoning rules on grandfathered uses.
5. A Civil Code for enforcing our property laws.

We Already Have Five Common-Sense Ordinances... Affirming Them is the Smart Choice for Piqua.

Ordinance 1 For the Ordinance X
Ordinance 2 For the Ordinance X
Ordinance 3 For the Ordinance X
Ordinance 4 For the Ordinance X
Ordinance 5 For the Ordinance X

Attaining Them Is The SMART Choice for Pugna

Five Common Sense Ordinances

We Already Have

- Our property standards
- And less expensive for us to enforce.
- More attractive place for business.
- More attractive place for business.
- A better place to live and work.
- A better place to live and work.
- A necessary piece of a comprehensive program to make Puget Sound
- From our vote for these ordinances.
- No taxes or higher costs will result.
- People who take decent care of their
- People who take decent care of their
- Community as a whole.
- Community as a whole.
- They deal squarely with one of Pugna’s
crime problems.

A few of the reasons we need

5. They are a necessary piece of a comprehensive and code enforcement.
4. They have thought Pugna in line with
3. People who take decent care of their
2. No taxes or higher costs will result.
1. These ordinances are already on the
