DEPARTMENTAL CALCULATOR POLICY: A graphing calculator is not required, and will not be permitted on many tests and quizzes. Use of a calculator (such as the TI-84 or TI-92) with a computer algebra system will not be permitted on any exams or quizzes. A scientific calculator is the recommended calculator for the course.

GRADING SYSTEM:

- 4 tests worth 100 points each. NO MAKE-UP TESTS (In the event of an emergency, contact the instructor before the test takes place.)

- Quizzes worth 20 points each. The lowest score can be dropped at the end of the semester. NO MAKE-UP QUIZZES for any reason. If one is missed for any reason, it will be the quiz that is dropped.

- Homework’s through Mymathlab are worth 60 points, no late submissions.

- Skill Tests are worth 80 points.

- A comprehensive FINAL EXAM worth 200 point.

At the end of the semester your total points are divided by the total possible (900).

IMPORTANT:

1. You are responsible for all announcements made during class, especially MyMathlab due date.
2. Cell phones are not to be seen or heard during class.
3. No make-ups for tests except in extraordinary circumstances. If you have a legitimate reason for not taking an exam on the announced date, you need to make arrangements with me, before the test is given.
4. If you can’t make my office hours or the TA office hours, you can always make an appointment to see me, please let me know one day in advance.
5. Doing homework problems is different from taking tests, so practice doing problems without looking at your notes or at the text.
6. I might occasionally send you email with information relevant to the class. I will pull the mailing list off the UD Address Book. It is your responsibility to check that your preferred email address is specified in the UD Address Book.
7. If you need help at any time, feel free to contact me or the TA immediately, don’t wait until it is too late.
8. Last day to drop without record is February 2. Last day to drop with record of W is April 8.

The Honor Pledge

I understand that as a student of the University of Dayton, I am a member of our academic and social community. I recognize the importance of my education and the value of experiencing life in such an integrated community. I believe that the value of my education and degree is critically dependent upon the academic integrity of the university community, and so in order to maintain our academic integrity, I pledge to:

• Complete all assignments and examinations by the guidelines given to me by my instructors;
• Avoid plagiarism and any other form of misrepresenting someone else's work as my own;
• Adhere to the Standards of Conduct as outlined in the Academic Honor Code.

In doing this, I hold myself and my community to a higher standard of excellence, and set an example for my peers to follow.

Have a Wonderful Enjoyable Semester
