University of Dayton  
Department of Mathematics  
MATH 328 / Actuarial Probability Seminar.  
Syllabus-Spring 2015

2) ACTEX, Five Practice Exams for P/1, 2010 edition, by GPW and Associates, Inc.

INSTRUCTOR: Dr. Maher Qumsiyeh.

OFFICE: Science Center SC-129C  
PHONE: 229-1032

HOMEPAGE: http://academic.udayton.edu/MaherQumsiyeh/

EMAIL ADDRESS: qumsiyeh@udayton.edu

OFFICE HOURS: Monday 3-3:50 pm. Tuesday 2-2:50, Wednesday 3-3:50 pm 
Friday 11-11:50 am.

GRADING SYSTEM: Your grade will depend on

- Attendance: You are supposed to attend every meeting of this seminar. If you know you 
are missing a meeting for a valid reason, contact me immediately, before the meeting 
time if possible.

- Presentations: Each one will be presenting part of the material for the whole class and 
give the class a handout of important things to know.

- Practice Exams: You are supposed to do all practice exams, without looking at the 
answer. Your grade will be based on that you did them, not on how much you got.

- Final Exam: A Practice test will be given in class. This will be worth 20% of your grade.

IMPORTANT:

1. You are responsible for all announcements made during class.
2. Cell phones are not to be seen or heard during class.
3. If you can’t make my office hours, you can always make an appointment to see me, 
please let me know one day in advance.
4. I might occasionally send you email with information relevant to the class. I will pull the 
mailing list off the UD Address Book. It is your responsibility to check that your 
preferred email address is specified in the UD Address Book.
5. If you need help at any time, feel free to contact me, don’t wait until it is too late.
6. Last day to drop without record is February 2 and to drop with record of W is April 8.
The Honor Pledge

I understand that as a student of the University of Dayton, I am a member of our academic and social community. I recognize the importance of my education and the value of experiencing life in such an integrated community. I believe that the value of my education and degree is critically dependent upon the academic integrity of the university community, and so in order to maintain our academic integrity, I pledge to:

- Complete all assignments and examinations by the guidelines given to me by my instructors;
- Avoid plagiarism and any other form of misrepresenting someone else's work as my own;
- Adhere to the Standards of Conduct as outlined in the Academic Honor Code.

In doing this, I hold myself and my community to a higher standard of excellence, and set an example for my peers to follow.

Have a Wonderful Enjoyable Semester
